Starring the **RECYCLE GUYS!**

The Recycle Guys are the centerpiece of a comprehensive education campaign developed by DHEC's Office of Solid Waste Reduction and Recycling (Office) to promote recycling in South Carolina. The Recycle Guys appear on television, radio and billboards, on posters and other printed materials, on the Web, on recycling trucks and recycling bins. They are used – with permission – throughout the country in more than a dozen states and various towns and cities.

This coloring book is based on a series of posters developed for schools. If you would like a full-color poster or to learn more about recycling education programs, or simply for more information about recycling, please visit www.scdhec.gov/recycle or call 1-800-768-7348.
