       Order Date:                             March 16, 2016  
       Individual/Entity:                   **378 Recycle Center, LLC**  
       Facility:                               378 Recycle Center Class One  
  Landfill  
       Location:                               5040 Sunset Blvd  
  Lexington, SC 29072  
       Mailing Address:                   5009 Sunset Blvd  
  Lexington, SC 29072  
       County:                               Lexington  
       Previous Orders:                   None

Permit/ID Number: 322456-1703  
Violations Cited: The South Carolina Solid Waste Policy and Management Act of 1991 (Act) (2002 & Supp. 2014); South Carolina Solid Waste Management: Solid Waste Landfills and Structural Fill, R. 61-107.19 (2012); and, General Permit for Class One Landfills, 322456-1703.

Summary: 378 Recycle Center, LLC (Individual/Entity) operates a landfill located in Lexington, South Carolina. The Department conducted routine compliance inspections on February 2, 2015, March 16, 2015, and April 27, 2015, and issued a Notice of Alleged Violation on July 24, 2015. The Individual/Entity has violated the South Carolina Solid Waste Policy and Management Act of 1991, the South Carolina Solid Waste Management: Solid Waste Landfills and Structural Fill Regulation, and the General Permit for Class One Landfills as follows: failed to confine the working face of the landfill to as small an area as the equipment can safely and efficiently operate; failed to maintain slopes at 3:1 or less; failed to spread waste in uniform layers within the landfill; and, failed to place a uniform layer of clean soil no less than six (6) inches in depth over all exposed waste material at least quarterly.

Action: The Individual/Entity is required to: submit documentation the working face of the landfill is being confined to as small an area as the equipment can safely and efficiently operate; submit documentation that all slopes are 3:1 or less; submit documentation that waste is being spread in uniform layers within the Landfill; submit documentation that a uniform layer of clean soil no less than six inches in depth has been placed over all exposed waste material, including but not limited to, the slope nearest the electrical substation; and, pay a civil penalty in the amount of eight thousand, seven hundred fifty dollars (**\$8,750.00**).

### Mining Enforcement

6) Order Type and Number: Consent Order 16-34-MSWM

<u>Permit/ID Number:</u>	1060014
<u>Violations Cited:</u>	S.C. Code Ann. Regs. 61-58.7 & 61-58.5.G(1)

Summary: Annie Burbage, Individually and d.b.a. WA Burbage Mobile Home Park (Individual/Entity) owns and is responsible for the proper operation and maintenance of a public water system (PWS). On October 14, 2015, and February 1, 2016, violations were issued as a result of review of monitoring records; and, on January 12, 2016, the PWS was inspected and rated unsatisfactory for failure to properly operate and maintain. The Individual/Entity has violated the State Primary Drinking Water Regulations as follows: the casings of Well 1 and Well 2 were rusted; Well 1 had a leak at the sample tap;

dual check valves had not been installed at the individual residences; valve maintenance had not been recorded in the valve maintenance logs since 2014; the exterior of the hydropneumatic storage tank at Well 2 had algae growing on it; the pump at Well 1 was short cycling; the conduit was not attached to the well seal at Well 1 and Well 2; deficiencies from the previous survey were not corrected; the procedures manual was not available for Department review; and, failed to conduct routine bacteriological monitoring.

Action: The Individual/Entity is required to: submit a standard operating procedure to ensure that all monitoring and reporting requirements are complied with; submit a corrective action plan to include proposed steps to correct the deficiencies; pay a civil penalty in the amount of four thousand dollars (**\$4,000.00**); and, pay a stipulated penalty in the amount of four thousand dollars (\$4,000.00) should any requirement of the Order not be met.

Summary: R.T. Vanderbilt Holding Company, Inc. (Individual/Entity) owns and is responsible for the proper operation and maintenance of a public water system (PWS). On July 10, 2015, August 7, 2015, and January 29, 2016, violations were issued as a result of review of Department records. The Individual/Entity has violated the State Primary Drinking Water Regulations as follows: failure to collect, within twenty-four hours of notification of a total coliform positive sample, at least one ground water source sample from each ground water source in use at the time the total coliform positive sample was collected; failure to collect, within twenty-four hours of notification of a total coliform positive sample, no fewer than four repeat samples for each total coliform positive sample found; and, the PWS exceeded the maximum contaminant level (MCL) for total coliform.

Action: The Individual/Entity is required to: submit a standard operating procedure that will be followed by the representatives of the Individual/Entity to ensure that all monitoring and reporting requirements are complied with; submit an investigative report to determine the causes of the MCL violations and a corrective action plan to include proposed steps to address those causes; pay a civil penalty in the amount of eight thousand dollars (**\$8,000.00**); and, pay a stipulated penalty in the amount of three thousand dollars (\$3,000.00) should any requirement of the Order not be met.

Summary: The City of Loris (Individual/Entity) owns and is responsible for the proper operation and maintenance of a public water system (PWS). On October 22, 2015, the PWS was inspected and rated needs improvement for failure to properly operate and maintain. The Individual/Entity has violated the State Primary Drinking Water Regulations as follows: several backflow prevention devices had not been tested at high hazard locations; valves were not being exercised because of the age/poor condition of the valves; there were no valve/hydrant maintenance records available for review; a fire hydrant located on Main Street was leaking; there was no documentation of a flushing program being conducted; the system map provided was incomplete; and, an emergency plan was

not available for review.

Action: The Individual/Entity is required to: repair the leak at the fire hydrant located on Main Street; submit a corrective action plan to address the valve deficiency, to include replacing the valves that cannot be exercised; correct the deficiencies; and, pay a **stipulated penalty** in the amount of eight thousand dollars (**\$8,000.00**) should any requirement of the Order not be met.

Little River Wastewater Treatment Plant  
Location: 201 Saxon Street  
Laurens, SC/300 Commission Drive  
Laurens, SC  
Mailing Address: P.O. Box 349  
Laurens, SC 29360  
County: Laurens  
Previous Orders: None  
Permit/ID Number: None

Violations Cited: U.S. Environmental Protection Agency Regulations at 40 CFR 68, and 5 South Carolina Code Ann. Regs. 61-62.68, Chemical Accident Prevention Provisions

Summary: The City of Laurens Commission of Public Works (Individual/Entity) maintains greater than 2,500 pounds of chlorine at its facilities and is subject to U.S. Environmental Protection Agency Regulations at 40 CFR 68, and 5 South Carolina Code Ann. Regs. 61-62.68, Chemical Accident Prevention Provisions (collectively “112(r) Regulations”). On August 27, 2014, the Department conducted inspections at the facilities to determine compliance with the 112(r) Regulations. The Individual/Entity has violated U. S. EPA Regulations at 40 CFR 68 and the South Carolina Air Pollution Control Regulations as follows: failed to document the lines of authority for the Risk Management Program; failed to document all of the required information in the process safety information (PSI); failed to address findings and recommendations from the process hazard analysis (PHA) and revalidate the PHA once every five years; failed to develop and implement written operating procedures for each covered process; failed to certify operating procedures annually; failed to address safe work practices for confined space entry for contract employees; failed to provide documentation of all required employee training; failed to maintain records of inspections and tests performed on process equipment; failed to provide certification that it had performed compliance audits every three years and document that any deficiencies had been corrected; failed to comply with all requirements for incident investigation; failed to evaluate contractor’s safety performance when selecting a contractor and periodically evaluating the contractor’s performance.

Action: The Individual/Entity is required to: immediately implement and henceforth maintain the risk management program, including all documentation to demonstrate compliance, in accordance with the requirements of the 112(r) Regulations; and, pay a civil penalty in the amount of ten thousand dollars (\$10,000.00).

No. 4, and 5 S.C Code Ann. Regs. 61-62.1, Section II, Permit Requirements

Summary: Hubbard Paving & Grading, Inc. (Individual/Entity) operates an asphalt batch plant. The Department issued General Conditional Major Operating Permit for Asphalt Plants 9900-0287 to the Individual/Entity on July 15, 2013. As a result of an inspection conducted on July 22, 2014, and a source test conducted on July 31, 2015, the Department issued a Notice of Alleged Violation on December 21, 2015. The Individual/Entity violated South Carolina Air Pollution Control Regulations and its Permit as follows: failed to limit opacity to 20% during a source test; failed to reschedule a test for PM every two years; failed to develop a best management practices plan (BMP); and, failed to maintain a startup/shutdown log for its hot oil heater.

Action: The Individual/Entity is required to: limit opacity to 20%, maintain a BMP Plan; maintain a startup/shutdown log for the hot oil heater; submit a source test plan to conduct a PM source test and visible emissions observation no later than June 30, 2016; and, pay a civil penalty in the amount of thirteen thousand dollars (**\$13,000.00**).
