Review of: 2022 1st Semiannual Monitoring Report, dated October 11, 2022

Dear Mr. Underwood:

The South Carolina Department of Health and Environmental Control (the Department) has reviewed the 2022 First Semiannual Monitoring Report for the FPE Edgefield site. The report is concise and well written. The Department understands that the Second Semi-Annual Monitoring Report will include a summary and interpretation of data from both semi-annual sampling events and an evaluation of the effectiveness of the ongoing recovery and treatment.

The report is approved as written and no revisions are necessary. If you would like to discuss this project, please feel free to contact me at (803) 898-0733, or by email at hornostr@dhec.sc.gov.

Best Regards,
