RE: Notice of Mine Operating Permit Application I-002335  
Luck Stone Corporation / Enoree Development Site Quarry  
Spartanburg County

Luck Stone Corporation has applied to the S.C. Department of Health and Environmental Control (DHEC) for a permit to mine granite. Tax records from Spartanburg County show you own property near the land where the mine will be located.

A notice of this request is being advertised in *The Spartanburg Herald Journal* newspaper. As a landowner of property near the proposed site, DHEC is sending you a copy of this advertisement (see back of page). For more information concerning this application, please visit the DHEC webpage at:

<https://www.scdhec.gov/environmental-public-notice>

At this time DHEC is reviewing the application and the information in the application may change during this process. No decision has been made concerning this application request. If you can not get information from the webpage, if you need any additional information, or have questions about the application, please call 803-898-7609, email [eddyje@dhec.sc.gov](mailto:eddyje@dhec.sc.gov), or write to:

## **PUBLIC NOTICE OF INTENT TO MINE**

Luck Stone Corporation  
Enoree Development Site Quarry  
**Spartanburg County, South Carolina**  
(DHEC Application I-002335)

Date: May 13, 2021

Luck Stone Corporation has applied to DHEC for a permit to mine granite at a site located in the vicinity of the intersection of Hwy 92 (Parker Road) and S-42-343 in Spartanburg County, approximately 1.5 miles east of Enoree, South Carolina (TMS #4-50-00-007, 4-55-00-076, 4-55-00-077). A proposed reclamation plan to restore the site to grasslands, pond, and commercial development has been submitted with the application. The mine permit application and related documents are available for review on DHEC's website at <https://www.scdhec.gov/environmental-public-notice>

DHEC is currently conducting a technical review of the application and related documents and will accept written comments through June 04, 2021. Public comments may impact DHEC's permit decision by giving staff additional information to consider and could also be used when determining specific terms and conditions the company must follow if a permit is issued. Where there is a significant amount of public interest, DHEC may hold a public meeting. If the public meeting cannot be held in person due to the COVID-19 guidelines restricting in-person gatherings, the public meeting will be held using an alternative method that provides the public the ability to participate remotely.
