NOTICES

INTENT TO SOLE SOURCE

The South Carolina Department of Health & Environmental Control (DHEC) is seeking qualified vendors to provide one-year service plan coverage for multiple Agilent Technologies Gas Chromatograph/Data System/AutoSampler Systems, Gas Chromatography/Mass Spectrometer/Data System/AutoSampler Systems, associated instrument software support, and unlimited technical support. Service plan coverage is to include performance maintenance visits by a factory-trained service representative, manufacturer OEM parts replacement as needed for corrective maintenance and repair, 24-hour response time, while maintaining the standard level of performance as stated in the operational manual provided with the original equipment.

Qualified vendors should contact Rebecca Nichols at (803) 898-1262 by April 30, 2018 for additional formation.
