

MATERNAL AND CHILD HEALTH – Final Regulation

R.61-94, WIC Vendors

[State Register Document 4671](#)

Synopsis:

The amendments to this regulation incorporated provisions included in the Child Nutrition and WIC Reauthorization Act of 2004 (P.L. 108-265) and the final rule published by the U.S. Department of Agriculture (“USDA”) in 2014 that revised the WIC food packages. The final rule also contained WIC vendor provisions and amendments to ensure adequate and appropriate monitoring of the Program’s food delivery system. Stylistic changes to the regulation were also included. This amendment replaced R.61-94 in its entirety and supersedes any former versions of the regulation.
