	8:00am – 12:00pm	Fort Lawn Animal Hospital 5661 Lancaster Hwy, Fort Lawn	Fort Lawn Animal Hospital

The South Carolina Rabies Control Act requires that all dogs and cats have a current rabies vaccination. For the majority of vaccines, the minimum age to vaccinate these pets is 12 weeks of age. Upon vaccination, the pet should wear the serially numbered rabies tag, provided by the veterinarian, around its neck. The licensed veterinarian will also provide a certificate of vaccination.
