Expiration Dates for the new Moderna Pediatric COVID-19 Vaccine (6 Month -5 Year doses)

The new shipments of Moderna COVID-19 vaccine for 6 months through 5 years shipped without expiration dates printed on the vial.

Use the Moderna lot checker (below) or scan the QR code to confirm the expiration date.

The address for the **lot checker** is: https://modernacovid19global.com/vial-lookup.
Use this to find the expiration for Moderna COVID-19 Vaccine released to the United States Government. Locate the lot number printed on the carton or vial. You will need to enter the lot number exactly as shown, indicating all characters.

To check by **QR code**, simply scan the QR code on the vial.

Please send questions to COVIDVaccines@dhec.sc.gov.
