## Other Recycling & Disposal Options

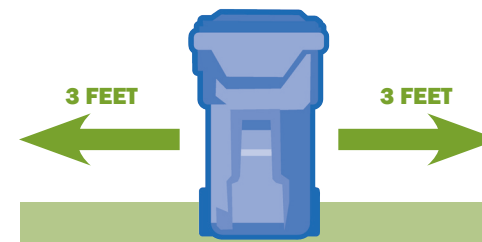

- **CURBSIDE RECYCLING:** Please call **(864) 942-8754** or **(864) 942-8567** for a recycling bin or more information.
- **HOUSEHOLD GARBAGE:** All Greenwood County Convenience Centers are staffed and accept household garbage.
- **DISPOSAL FOR NEEDLES, SHARPS & SYRINGES:** **DO NOT** place these items in the recycling bin. Put them in a properly sealed, labeled container (e.g., bleach or detergent bottle) and place it in your household garbage. Visit [scdhec.gov/getthepoint](http://scdhec.gov/getthepoint) for detailed instructions.
- **SHRED FOR FREE!** Shredding of unwanted papers and documents is provided Monday through Friday, 7 a.m. to 3 p.m. at the Siloam Church Road Recycling Center.

## Curbside Recycling Q&A

- Q. What is single-stream recycling?**
- A. All accepted recyclables are collected in a single container. Sorting is done after they are collected.
- Q. What is automated collection?**
- A. The county uses a truck with a robotic arm that lifts and empties carts.
- Q. What recycling bin can I use?**
- A. Only roll carts provided by the county can be used. Contact the county for a cart.
- Q. When are recyclables collected?**
- A. They are collected every other week on the same day. View the collection schedule at [greenwoodcounty-sc.gov/i-want-to-view/recycle-calendars](http://greenwoodcounty-sc.gov/i-want-to-view/recycle-calendars).
- Q. How should I prepare my recyclables?**
- A. See the other side of this brochure on how to correctly prepare items that go in your curbside roll cart (i.e., aluminum and steel cans, cardboard, chipboard, mixed paper, pasteboard, plastic bottles, jars and jugs).

## Important Instructions

- **Place the cart on a level surface a few inches away from the curb with the wheels and handle facing your home.** Point the arrows on the cart toward the street and close the lid.
- **When should I put the cart out?** Put it at the curb by 7 a.m. on collection day.
- **Do not place carts under low-hanging branches or near parked cars, mail boxes or other objects.** Leave at least 3 feet of room around the cart so the robotic arm can lift and empty it.

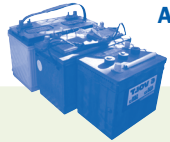

What and Where to  
**RECYCLE**  
in Greenwood County

Plastic grocery bags, flower pots and Styrofoam (although they may have a recycling symbol) <b>ARE NOT ACCEPTED</b> .	Curbside and All Convenience Centers
 <b>TIRES</b>		Remove rims.	Siloam Church Rd. (#1) Convenience Center
 <b>USED MOTOR OIL, OIL BOTTLES &amp; OIL FILTERS</b>	Used motor oil, filters and bottles (oil must be free of gasoline or diesel fuel) and other petroleum products	The following petroleum products <b>ARE ACCEPTED</b> and may be put into the used oil collection tank: motor oil, hydraulic fluid, gear oil, diesel fuel, fuel oil, kerosene, automatic transmission fluid and power steering fluid. Limit 5 gallons per visit.	All Convenience Centers

“**Wishful recycling**” occurs when items are put in the recycling bin that you hope will be recycled or you think should be recycled. This leads to contamination in the recycling stream.

**Recycling contamination** occurs when the wrong items are placed in the recycling bin (e.g., garden hose) OR items accepted for recycling are prepared incorrectly (e.g., food/liquid left in containers).

It’s important to know what is accepted in Greenwood County. Visit [greenwoodcounty-sc.gov](http://greenwoodcounty-sc.gov) or [scdhec.gov/recycleheresc](http://scdhec.gov/recycleheresc) to know where and what to recycle.

### Electronics Recycling

**It’s the law to recycle electronics in South Carolina.** S.C. residents may not knowingly place or discard a computer, computer monitor, printer or television in any waste stream that is to be disposed of in a solid waste landfill. Many manufacturers and retailers offer consumer take-back programs.

**E-scrap is accepted from HOUSEHOLDS ONLY.** For e-scrap recycling options for schools and businesses, call **(864) 942-8662**.

For information about recycling electronics, visit [scdhec.gov/e-cycle](http://scdhec.gov/e-cycle).
