Total Regulated Dams under Surveillance as of 2 p.m. on 9/14/2018: 27

NOTE: The South Carolina Department of Health and Environmental Control (DHEC) identified the above 27 dams as part of our pre-storm assessment of 262 regulated dams across the state. DHEC is partnering with the State Guard to monitor these structures as conditions allow. DHEC will conduct post-storm assessments of the above dams.
