

Stop Rabies
NOW.
Vaccinate Your Pet.

Do Your Part to Prevent Rabies.

Do:

- Have your pet vaccinated against rabies by a veterinarian.
- Keep your pet in a pen or on a leash for its safety.
- Report all suspicious stray and wild animals to your local public health department or animal control office.
- Avoid all stray and wild animals. If bitten or scratched by a pet or wild animal, **immediately wash any wounds with soap and water.** Contact your family doctor and local public health department for further instructions.

Don't:

- Pet, handle, feed or keep wild animals as pets.
- Damage the head of an animal that may have rabies. The head must be in good condition for rabies testing.
