

S.C. Recycling Professionals Certification Documentation of Recycling-related Professional Development

Bureau of Land and Waste Management

In order to maintain designation as a Certified S.C. Recycling Professional, you must provide proof of receiving a minimum of 45 contact hours (i.e., actual time spent in trainings, workshops, seminars, etc.) of recycling-related professional development every three years. Acceptable contact hours will be determined by the S.C. Department of Health and Environmental Control's Office of Solid Waste Reduction and Recycling (Office). A maximum of 10 contact hours will be allowed for any one event.

Please provide the following information to document any recycling-related professional development that you would like the Office to apply toward maintaining your designation as a Certified S.C. Recycling Professional.
