

Vital Records Non-Certified Pre-Adoptive Birth Application
 A photocopy of a current government, school or employer photo identification of the applicant must be submitted with all requests.
 Applications without proper identification will be returned unprocessed.

All applications will be processed as a mail request. While the Agency will diligently search its files for an adoption record that matches the request, it does not warrant, promise, or guarantee that it will be able to locate an adoption record that matches the information provided in this request. If a record is issued, one parent's information may be redacted in the event a consent form, notarized statement, or death certification was not received for both parties. If a record is issued, it MAY NOT be used for legal purposes.
