# GREEN RESOURCE INDEX

REDUCING YOUR ENVIRONMENTAL IMPACT

1-800-768-7348 • [www.scdhec.gov/smartbusiness](http://www.scdhec.gov/smartbusiness)

This publication is a resource from the S.C. Smart Business Recycling Program and is provided by the S.C. Department of Health and Environmental Control's Office of Solid Waste Reduction and Recycling.

# Green Resource Index for Fiscal Year 2019

*(July 1, 2018 to June 30, 2019)*

The S.C. Department of Health and Environmental Control's (DHEC) Office of Solid Waste Reduction and Recycling (Office) is pleased to present the "Green Resource Index" (Index).

This publication is designed to help business, industry, local governments and others locate:

- **Recyclers and users of your by-products;**
- **Equipment to help minimize your waste;**
- **Services to help you become more environmentally friendly; and**
- **Substitutes for hazardous materials.**

This publication is printed annually. The online version, however, is updated as needed throughout the year. Visit [www.scdhec.gov/gri](http://www.scdhec.gov/gri) to see the most current edition. If you would like to update a listing, report an inaccuracy or need additional help, call **1-800-768-7348** or email [smartbiz@dhec.sc.gov](mailto:smartbiz@dhec.sc.gov).

There is no charge to the company to be listed in the Index. A limited number of printed copies are available for free. Call **1-800-768-7348** to request one.

Additional resources are available from DHEC's S.C. Smart Business Recycling Program. To learn more, visit [www.scdhec.gov/smartbusiness](http://www.scdhec.gov/smartbusiness).

## **NOTICE: DHEC does not endorse any of the listings included in this index.**

It is the responsibility of the users of this index to determine whether the listed company is in compliance with all applicable federal, state and local regulations. The information in this index is provided by the listed organizations.
