

Healthy People. Healthy Communities.

# PESTT

Bureau of Community Health  
and Chronic Disease  
Prevention

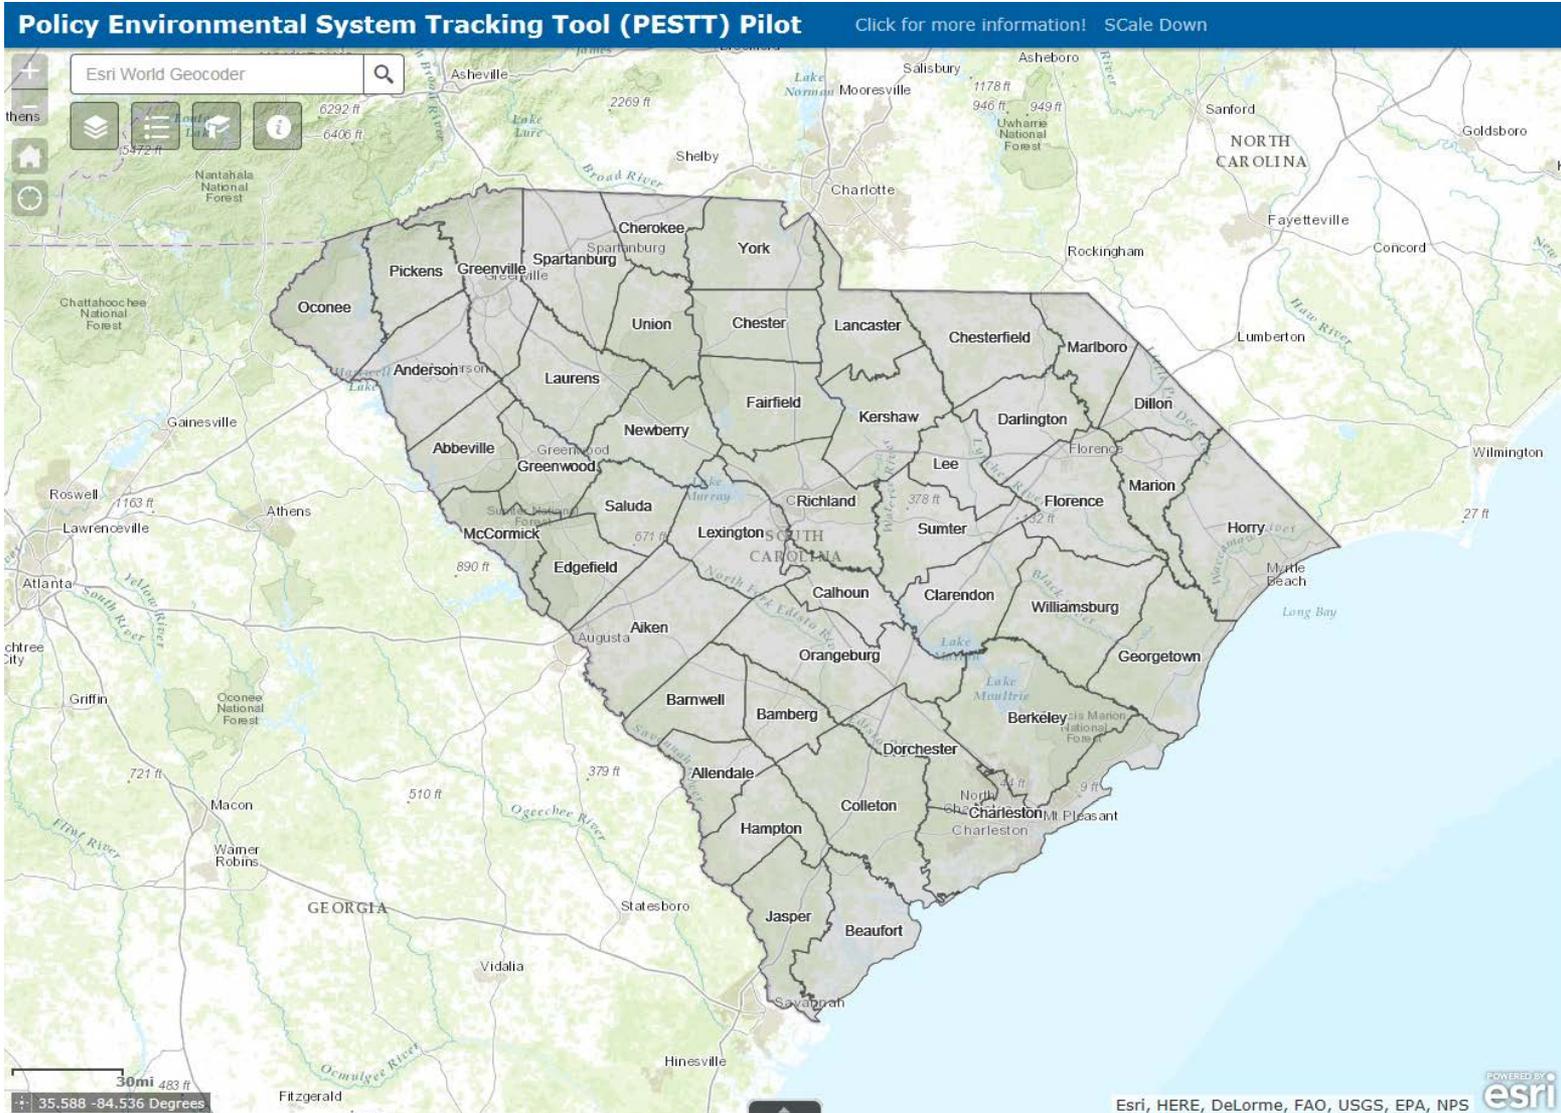

# What is PESTT?

- Policy Environmental Systems Tracking Tool
- Derived from Community Transformation Grant (CTG)
  - Focused on taking Policy, Systems, and Environmental Change (PSE) data and making it accessible while focusing on the visualization and utilization component
- Some overlap with EPHT grant program
- Currently being formulated into a “Data Hub” with the assistance of Seth Church

# South Carolina Department of Health and Environmental Control

Healthy People. Healthy Communities.
