Subject: Updated PPE Guidance for First Responders

The following message is for EMS personnel and first responders:

On December 2, updated guidance was provided by the CDC to clarify the minimum personal protective equipment use for EMS personnel and first responders in the management of patients who present with possible Ebola virus disease. The details of this guidance is available on the CDC website at: <http://www.cdc.gov/vhf/ebola/hcp/interim-guidance-emergency-medical-services-systems-911-public-safety-answering-points-management-patients-known-suspected-united-states.html>

If you have any questions, please feel free to email us at ebola@dhec.sc.gov.
