On July 29, 2016, the South Carolina Department of Health and Environmental Control (DHEC) entered into a voluntary cleanup contract 16-5857-RP (VCC) with Duke Energy Carolinas, LLC (Duke) regarding the CSXF Bramlette Road Site (Site). The Site is located at 400 East Bramlette Road in Greenville, SC. The Site includes a former manufactured gas plant and an unpermitted construction and demolition debris landfill.

At the request of the public, **DHEC will host a community meeting on September 29, 2016, at 6:30 p.m., in the cafeteria at the Legacy Charter School—Elementary Campus located at 1613 Washington Street in Greenville.** DHEC will provide information and answer questions regarding the past removal activities and past remedial assessments and remediation at the Site and Duke's obligations outlined in the VCC.

**Should you have any questions or concerns, please contact:**

**J. Lucas Berresford**
