RE: First Semi-Annual Surface Water Assessment Report
SCE&G Fleet Maintenance Site (Congaree River)
Columbia, South Carolina

Dear Mr. Biery,

The State Voluntary Cleanup Program received the First Semi-Annual Surface Water Assessment Report on November 14, 2017. The Department has reviewed the report and approves the report as submitted. The next scheduled sampling event is scheduled for March 2018. Please give the Department a five-day notice of the start of the sampling event. The next assessment report will be due to the Department by July 1, 2018.

Sincerely,

Greg Cassidy
