RE: Notice of Alleged Violation  
Plyer Pond Dam, Dam No. D 3171  
Chesterfield County

Dear Sir or Madam:

On November 2, 2015, the Department sent you a letter advising you of a visual assessment of your dam following the October 2015 flooding that noted your dam was damaged and repairs and/or maintenance were needed to ensure your dam was in compliance with the South Carolina Dams and Reservoirs Act, S.C. Code Ann. 49-11-110, et seq., and Regulation 72-1, et seq.

As of the date of this letter, Department records indicate that a requirement for Plyer Pond Dam, Dam No. D 3171 has not been met, which included, but was not limited to a detailed inspection. **You must have your detailed inspection submitted or contact the Department to discuss an appropriate schedule for submission by October 28, 2016.**

Failure to comply with this deadline may result in the Department initiating an enforcement action, which may include the assessment of civil penalties pursuant to the SC Dams and Reservoir Safety Act, S.C. Code Ann. 49-11, et seq. (2008) and Regulation 71-1, et seq. (2012).

All correspondence should be directed to:
