Item 3: Administrative Orders and Consent Orders issued by Environmental Affairs (Attachment 3-1)

Ms. Robin Stephens, Compliance Assistance and Enforcement, Environmental Affairs, stated six (6) Administrative Orders, two (2) Consent Agreements and one hundred nine (109)
Consent Orders had been issued with total penalties of $142,753.

The Board accepted this item as information.

Item 4: Notice of Proposed Regulation for New Regulation 61-125, Standards for Licensing Crisis Stabilization Unit Facilities. General Assembly review is required
(Attachment 4-1)

Mr. Russ Morrison, Director, Community Care Oversight Division, presented this item to the Board.

On April 24, 2017, Governor Henry McMaster signed into effect Act No. 10 amending Article 3 of Chapter 7, Title 44 to require the Department to license and regulate Crisis Stabilization Unit ("CSU") Facilities. These facilities provide a short-term residential program offering psychiatric stabilization services and brief, intensive crisis services to individuals eighteen (18) years of age or older, twenty-four (24) hours a day, seven (7) days a week.

After discussion, Mr. Battis moved, seconded by Dr. Kirol, to grant approval to publish the Notice of Proposed Regulation for New Regulation 61-125, Standards for Licensing Crisis Stabilization Unit Facilities, in the State Register, to provide opportunity for public comment, to receive and consider comments, and allow staff to proceed with a public hearing before the Board. The Board voted and Motion carried.

Item 5: Placement of MT-45 into Schedule I for S.C. Controlled Substances
(Attachment 5-1)

Ms. Christie Frick, Bureau of Drug Control, presented this item to the Board.

Controlled substances are governed by the S.C. Controlled Substances Act (CSA), found at Title 44, Chapter 53, of the S.C. Code of laws. Schedule I substances are listed in S.C. Code Ann. Section 44-53-190. Pursuant to Section 44-53-160, titled "Manner in which changes in schedule of controlled substances shall be made," controlled substances are generally designated by the General Assembly upon recommendation by DHEC. Section 44-S3-160(C) provides a process by which DHEC can expeditiously designate a substance as a controlled substance if the federal government has so designated.

On December 13, 2017, the Administrator of the Drug Enforcement Administration issued a final scheduling order to schedule the synthetic opioid MT-45 (Systematic IUPAC Name: 1-cyclohexyl-4-[(1,2-diphenylethyl) piperazine], including its salts, isomers, and salts of isomers, into Schedule I. This action imposes the regulatory controls and administrative, civil, and criminal sanctions applicable to schedule I controlled substances on persons who handle (manufacture, distribute, import, export, engage in research or conduct instructional activities with, or possess), or propose to handle, MT-45. The federal final order became effective January 12, 2018.
On May 17, 2016, the Secretary General of the United Nations advised the Secretary of State of the United States, by letter, that during the 59th session of the Commission on Narcotic Drugs, MT-45 was added to schedule I of the Single Convention. This letter was prompted by a decision at the 59th session of the Commission on Narcotic Drugs in March 2016 to schedule MT-45 under schedule I of the Single Convention. As a signatory Member State to the Single Convention, the United States is obligated to control MT-45 under its national drug control legislation, the CSA, in the schedule deemed most appropriate to carry out its international obligations.

After discussion, Mr. Wells moved, seconded by Dr. Kirol, to designate the additional substances as named in the DEA Interim Final Rule published in the Federal Register on December 13, 2017, and amend Section 44-53-190 of the S.C. Controlled Substances Act for consistency with the Federal scheduling. The Board voted and Motion carried. Designation Order signed by Chairman Amsler (Attachment 5-2)

**Item 6: Agency Affairs**

Acting Director Wilson stated the Legislative Oversight Committee Review had been completed in December 2017.

The Board accepted this as information.

Chairman Amsler asked for a Motion for an Executive Session for legal advice on pending requests for final review. Dr. Kirol moved, seconded by Mr. Batts, to go into Executive Session. The Board voted and Motion carried.

Chairman Amsler announced the Board was back in public session and, while in Executive Session, no actions were taken.

Being no further business, Chairman Amsler adjourned the meeting.
