

## NOTICES

### Advertisement for Quotes

The South Carolina Department of Health & Environmental Control (DHEC) is seeking qualified vendors to provide quotes for two (2) Met One Neighborhood Air Monitors (NAM). The quote should include:

1. CCS Modem LTE (including: 3-year data plan, COMET software, and AC power supply; quantity: 2)
2. NPM 3 sensor (including: TSP Inlet head, COMET CD, and mounting bracket; quantity: 2)
3. Sharp Cut Cyclone PM-2.5 (quantity: 2)
4. Cable Assembly (power and signal, NPM 2 to CCS modem 2; quantity: 2)
5. 5 parameter weather station [quantity: 2; one to be paired with existing CCS modem (S/N X17468 & NPM 2 S/N X18766)]
6. Communication cable (MSO to CCS modem 2; quantity: 2)
7. Tripod (10' quick deployment; quantity: 2)
8. Manuals and calibration certification (quantity: 1 at no charge)

Qualified vendors should contact Trey V. Shealy [shealytv@dhec.sc.gov](mailto:shealytv@dhec.sc.gov) by Midnight ET, November 22, 2021 for additional information.
