

NOTICES

Advertisement for Quotes

The South Carolina Department of Health & Environmental Control (DHEC) is seeking qualified vendors to provide quotes for the removal and replacement of two (2) existing Gasboy single hose fuel dispensers. The quote should include:

1. Removal and disposal of the existing fuel dispensers.
2. Pricing based on reusing the existing electrical and product piping.
3. Pricing based on replacing the existing hanging hardware.
4. Start-up and calibration of new dispensers.
5. The quote needs to be based on our site having UDC's.

A change order will be issued in the event any existing equipment cannot be reused. Please do not include any of these "possible" items on your quote.

Qualified vendors should contact Trey V. Shealy shealytv@dhec.sc.gov by Midnight ET, October 1, 2020 for additional information.
