

SC DHEC regulations require all Water Systems to initiate and maintain a viable Cross-Connection Control (CCC) Program. We are finding that many organizations do not have qualified/trained staff to properly create or administrate this mandatory program. This course is designed for Water System personnel who may be a part of administrating this program. Backflow basics will be explained to include Methods, Devices & Assemblies. State & Federal regulations will be presented. We will review the anatomy of a Cross-Connection Control Program. DHEC will discuss testing procedures for the PVB, DCVA, and RP assemblies.

6.0 hours of CEU credit will be awarded for this program.

In order to receive certification, DHEC will require that students attend the entire day of the workshop and pass a written exam.

Enrollment is limited to 25 students.

To register, complete, detach, and mail/email the registration form (along with your check or money order payable to (SCDHEC) to the address shown below:
SCDHEC–Bureau of Water Backflow Prevention
2600 Bull Street
Columbia, SC 29201
Email: foxsc@dhec.sc.gov

**DHEC will not bill you or your company. Do not send a purchase order.*

If training is canceled, your registration fee will be refunded. If you are unable to attend, you may send a substitute to avoid losing your registration fee. Please note there are no refunds and applying the fee to a future class is not possible.

About the Training

This workshop will be held Sept. 12th, 2023 at the SC Wing HQ, Civil Air Patrol 3901 CAP Wing Dr, West Columbia, SC 29170

Attendees must be present and prepared to begin training promptly at 8:00 a.m. This training will include several extended sessions of lecture and some group exercises.

Cost: \$75.00 per person for the 1-day Program Administration workshop. The cost will cover all necessary training materials. We will award six hours of CEU credits for those who successfully complete this training.

Credit Card Payments are possible by forwarding the completed registration form to Steve Fox at foxsc@dhec.sc.gov to create an invoice that can be paid on-line.

For additional information, email Steve Fox at foxsc@dhec.sc.gov

Workshop Leaders

Instructor:

Gary McLaren, with HydroCorp. Gary is a nationally recognized authority on Cross-Connection Control, Program Administration and drinking water safety. His many years of experience and animated style of instruction will make this an enjoyable and educational workshop.

Facilitator:

Steve Fox, with South Carolina Department of Health and Environmental Control (SCDHEC), Bureau of Water.
