Charleston County

Dear Mr. Wiram:

The Department has reviewed the Work Plan for Area #3 Revision 1, dated April 4, 2022. The work plan is approved. **Monitoring Well Approval # 13201 is attached.** The monitoring well approval includes the ten (10) direct push points specified in the work plan and an additional sampling point is included as a contingency.

Please contact me if you would like to discuss this project. You can reach me at (803) 898-0733, or by email at [hornostr@dhec.sc.gov](mailto:hornostr@dhec.sc.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read "Tim Hornosky".

## Monitoring Well Approval

**Approval is hereby granted to:**      **Arcadis US, Inc.**  
**on behalf of:**                              **Brenntag Southeast**  
**Facility:**                                        **Brenntag Southeast Charleston Facility**  
**BLWM #:**                                        **50975**  
**County:**                                        **Charleston County**

This approval is for the installation of eleven (11) temporary monitoring wells. The wells are to be installed and constructed as described in the Work Plan for Area #3 dated April 4, 2022. These wells are to be drilled, constructed and abandoned following all applicable requirements of R.61-71.

**Please note that R.61-71 requires the following:**

1. All wells shall be drilled, constructed, and abandoned by a South Carolina certified well driller per R.61-71.D.1.
2. A Water Well Record Form 1903 or other form provided and/or approved by the Department shall be completed and submitted to the Department within 30 days after well completion or abandonment unless another schedule has been approved by the Department. The form should contain the "as-built" construction details and all other information required by R.61-71.H.1.f.
3. All analytical data obtained from each boring shall be submitted to the Department within 30 days of receipt of laboratory results as required by R.61-71.H.1.d unless another schedule has been approved by the Department.
4. All temporary monitoring wells are to be properly abandoned within five (5) days of borehole completion as required by R.61-71.H.4.c.
5. If any of the information provided to the Department changes, including the proposed drilling date, this office shall be notified at least twenty-four (24) hours prior to well construction as required by R.61-71.H.1.a

This approval is pursuant to the provisions of Section 44-55-40 of the 1976 South Carolina Code of Laws and R.61-71 of the South Carolina Well Standards, dated April 26, 2002.

**Approval #:**                                      **MW-13201**                                      **Date of Issuance:**      **5 April 2022**  
**Scheduled Start Date:**                      **2 May 2022**                                      **Expires:**                                      **5 April 2023**

A handwritten signature in blue ink, appearing to read "Tim Hornosky", is written over a light blue horizontal line.
