RE: Monthly Report – April 2022
SCE&G Fleet Maintenance Site (Congaree River)
Columbia, South Carolina

Dear Mr. Biery:

The Department received the April 2022 Monthly Report from Dominion Energy on May 5, 2022. The report provides an update of significant activities/milestones on the progress of Dominion Energy's permitting efforts of the Modified Removal Action. The Department approves of the Monthly Report as submitted.

If you have any questions, feel free to contact me at (803) 898-0910 or cassidga@dhec.sc.gov.

Sincerely,

Greg Cassidy, Project Manager
State Voluntary Cleanup Program
Division of Site Assessment, Remediation, and Revitalization
Bureau of Land and Waste Management
