RE: Notice of Modification to Mine Operating Permit Application I-000424  
Hanson Aggregates Southeast, LLC Operator / Anderson Quarry  
Anderson County

Hanson Aggregates Southeast, LLC has applied to the S.C. Department of Health and Environmental Control (DHEC) to modify a Mine Operating Permit (I-000424) to expand granite mining operations and add new acreage for overburden storage and expand the pit. Tax records from Anderson County show you own property next to the land where the expansion will be located.

A notice of this request is being advertised in *Independent Mail* newspaper. As a landowner of property next to the proposed site, DHEC is sending you a copy of this advertisement (see back of page). For more information concerning this application, please visit the DHEC webpage at:

<https://epermweb.dhec.sc.gov/publicnotice>

At this time DHEC is reviewing the application and the information in the application may change during this process. No decision has been made concerning this application request. If you can not get information from the webpage, if you need any additional information, or have questions about the application, please call 803-898-3887, email [harris1@dhec.sc.gov](mailto:harris1@dhec.sc.gov), or write to:
