RE: Hazardous and Mixed Waste Permit Decision
Savannah River Site (SRS)
Aiken, South Carolina
SC1 890 008 989

Dear Sir /Madam:

Thank you for your participation in the permitting process in reference to Savannah River Site (SRS). After consideration of all comments received during the public comment period, the South Carolina Department of Health and Environmental Control (Department) has made a decision to issue the hazardous and mixed waste permit to SRS.

This action constitutes a final permit decision for SRS. The permit decision will become effective on December 15, 2021 unless it is appealed in accordance with the procedures described in the Department's Guide to Board Review located at <https://scdhec.gov/about-dhec/sc-board-health-and-environmental-control/guide-board-review>.

The Department is committed to the protection of human health and the environment. Your participation during the public comment period helps to serve that purpose. The Department appreciates all comments that were submitted during the public comment period and has taken each one into consideration in making the final permit decision.

If you have any questions, please contact me at (803) 898.0252 or frasielkb@dhec.sc.gov.

Sincerely,

Keehna Frasier, Project Manager
RCRA Federal Facilities Section
Bureau of Land & Waste Management
