Dear Mr. Afiegbe,

The South Carolina Department of Health and Environmental Control (the Department) has reviewed and approves the Report of Groundwater Field Screening, dated November 11, 2016. The Department approves the installation of the additional monitoring wells as outlined in the Report and has attached a Monitoring Well Installation Permit.

Please contact the Department at least 5 days prior to the start of field activities. If you have any questions or comments please contact me at (803)898-0747 or at [berresjl@dhec.sc.gov](mailto:berresjl@dhec.sc.gov).

Sincerely,

Lucas Berresford

This approval is for the installation of 7 groundwater monitoring wells. The monitoring wells are to be installed in the locations as illustrated in the November 11, 2016 Report of Groundwater Field Screening. And consistent with the well construction details in the Sampling and Analysis Plan. Monitoring wells are to be installed following all of the applicable requirements of R.61-71.

**Please note that R.61-71 requires the following:**

1. All wells shall be drilled, constructed, and abandoned by a South Carolina certified well driller per R.61-71.D.1.
2. All wells shall be properly developed per R.61-71.H.2.d. A Water Well Record Form or other form provided or approved by the Department shall be completed and submitted within 30 days after well completion or abandonment unless another schedule has been approved by the Department. The form should contain the “as-built” construction details and all other information required by R.61-71.H.1.f
3. All analytical data and water levels obtained from each monitoring well shall be submitted to the author of this approval within 30 days of receipt of laboratory results unless another schedule has been approved by the Department as required by R.61-71.H.1.d.
4. All monitoring wells shall be labeled as required by R.61-71.H.2.c.
5. If any of the information provided to the Department changes, including the proposed

drilling date, the Author (PM Phone Number) shall be notified at least twenty-four (24) hours prior to well construction as required by R.61-71.H.1.a.

This approval is pursuant to the provisions of Section 44-55-40 of the 1976 South Carolina Code of Laws and R.61-71 of the South Carolina Well Standards, dated April 26, 2002.
