Subject: **April** 2022 CA Progress Report

Ms. Kuhn:

In accordance with Item 19 of Consent Agreement (CA) 19-02-HW, this progress report is being submitted to you, including the following requested information:

- (a) a brief description of the actions which Westinghouse has taken toward achieving compliance with the Consent Agreement during the previous month;
- (b) results of sampling and tests, in tabular summary format received by Westinghouse during the reporting period;
- (c) a brief description of all actions which are scheduled for the next month to achieve compliance with the Consent Agreement, and other information relating to the progress of the work as deemed necessary or requested by the Department; and
- (d) information regarding the percentage of work completed and any delays encountered or anticipated that may affect the approved schedule for implementation of the terms of the Consent Agreement, and a description of efforts made to mitigate delays or avoid anticipated delays.

In response to the above requirements, the following is being reported to the Department since the last progress report submitted on **April 5, 2022**. The following progress report is for work occurring from **April 1- 30, 2022**:

- (a) Actions during the previous month:
  - Completed the following to support completion of the **RI Report, Item 6** of the CA:
    - Completed semi-annual groundwater sampling (118 wells).
    - Facilitated a groundwater to surface water conceptual model discussion with DHEC personnel on April 29, 2022.
    - Began CFFF internal review of draft Baseline Risk Assessment.

- Completed the following to support **Cultural Resources Survey** Activities:
    - Revised the draft cultural resources report to include recommendations made by the State Historic Preservation Office (SHPO) and other stakeholders and resubmitted the draft on April 14, 2022.
  
  - **Other** completed Activities:
    - Shipped the last two trailers containing legacy UF6 cylinders on April 7, 2022.
- (b) Results of sampling and tests:
- None
- (c) Brief description of all actions which are scheduled for the next month:  
In accordance with **Item 4** of the CA, Westinghouse will continue to implement the Work Plan to include the following actions:
- Continue working on item #6 of the Consent Agreement, the Remedial Investigation Report.
  - Continue working on the draft Baseline Risk Assessment.
  - Submit Triennial Decommissioning Funding Plan to NRC, incorporating RI data since the last update in 2019.
- (d) Percentage of work completed and any delays encountered or anticipated:
- 60% of the **RI Report** scope is completed.
  - 100% of Phase II **field** work scope completed.
  - Currently there are no anticipated delays.

Respectfully,

Diana P. Joyner
