

Recycling Efforts of Commercial Business/ Industry Fiscal Year 2019 Reporting Survey

Email: smartbiz@dhec.sc.gov

South Carolina has a goal to recycle 40 percent of its municipal solid waste. The information collected from organizations such as yours allows county and state officials to identify recycling markets in need of expansion, make effective solid waste management decisions and promote positive recycling efforts taking place in the state.

SECTION A: Business & Contact Information

Enter the amount of material that was recycled in fiscal year (FY) 2019 – July 1, 2018 to June 30, 2019.

Company Name: _____ Person Completing Survey: _____

Mailing Address: _____

City: _____ State: _____ Zip: _____

List the county where the facility included in this report is located: _____

Telephone: _____

Email: _____

Type of Business: Commercial Industrial/Manufacturing Institution

NOTE: All information submitted is treated confidentially. Individual businesses and the amount recycled are never reported – only totals by material and county.

SECTION B: Post-Consumer

Office packaging or employee generated material. This includes cardboard boxes, pallets and crates. This material is not a direct result of a manufacturing process (i.e., scrap rubber from a tire manufacturer). Is the material you are reporting a result of a manufacturing process or an industrial application? If YES, go to **Section C: Pre-Consumer**. If "Other," please specify.
