

Students,

After much deliberation and keeping with the guidance from our state leaders, SC DHEC has decided that for the protection and safeguard of our students and staff the June 9, 10 & 11 Tester Certification class is canceled. Understanding that this is a burden while we work to get to our new normal, this decision was not an easy one. We will reschedule the class for a later date after this crisis has been resolved and venues start taking reservations again. Please bear with us as we work through this unforeseen situation. We will mail out another letter when a new date has been confirmed. We apologize for the inconvenience.

Thank You for your understanding!!!
