

## Public Notice

### **Date of Notice: 9/11/2019**

Dominion Energy South Carolina, Inc. (DESC) has applied to the South Carolina Department of Health and Environmental Control for a 401 Water Quality Certification (WQC) for the continued operation, under a new Federal Energy Regulatory Commission (FERC) license, of the Parr Hydroelectric Project (FERC Project No. 1894) on the Broad River, Parr Reservoir, and Monticello Reservoir in Fairfield and Newberry Counties, SC.

More detailed information about this request (including a PDF of the DESC 401 WQC request, application, and supporting materials, which include maps of the project area) can be found on the DHEC website here:

<https://www.scdhec.gov/ParrHydro>.

Water Quality comments will be received by South Carolina Department of Health and Environmental Control at 2600 Bull St., Columbia, SC, 29201, ATTN: Division of Water Quality, until 30 days from the **Date of Notice**. Please reference DHEC Public Notice No. FERC 1894 in your correspondence.
