

EleCare[®]

Request EleCare or EleCare Jr Free of Charge

We understand the urgent need for amino-acid based formulas and are committed to getting high-quality, safe products into the hands of families across the country.

To help support you and your family during this time, we'd like to expedite shipping one case (six cans), per patient, of EleCare Infant or EleCare Jr (unflavored or vanilla) free of charge.

Simply scan the QR code to sign up or visit [EleCare.com/register](https://www.EleCare.com/register)

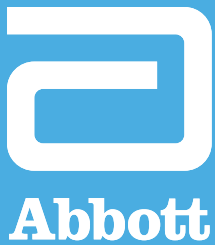

To purchase moving forward:

- If EleCare was previously covered by your insurance plan, please reach out to your healthcare professional to obtain a new prescription.
- Ample supply of EleCare will be back in stock at retailers and home medical suppliers in the coming weeks.

If you have additional questions, please call Abbott Customer Service at 1-800-881-0876.

Abbott is providing sample product at no charge. Recipient may not resell or seek reimbursement from any third party, including any government programs or private insurers, for any sample product provided.

NUTRITIONALLY COMPLETE, AMINO ACID-BASED FORMULA

Providing high-quality, safe formula to families is our top priority

We understand that many families are struggling to get the nutrition they need. We are doing everything we can to increase supply and get our formula into the hands of families across America.

COMMITMENT TO QUALITY & SAFETY

As production resumes at our Sturgis, MI facility, we have implemented corrective actions and enhancements, leveraging new technology and strengthening our processes. We follow rigorous processes at every step of production. Quality tests and checks are performed, per batch, on all formulas prior to release.

PRODUCT AVAILABILITY

Abbott is restarting EleCare® production, with initial product release being on or about June 20. We are working to quickly refill hospitals, retailers, distributors, and HMEs.
