

Janssen Shelf Life Extended

The shelf life of all Johnson & Johnson's Janssen vaccine inventory with **expiration dates of March 7, 2022**, or later has been updated from six months to **nine months**.

Any vaccine dated **prior to March 7, 2022**, should be disposed of according to state and local regulation and reported as waste according to your COVID-19 provider agreement.

Please send questions to COVIDVaccines@dhec.sc.gov.
