

Temporary Outdoor Seating Guidelines

All restaurants that provide outdoor patio venues must adhere to strict mitigation standards preventing the spread of COVID-19. The general operating matrix will require spacing of groups, limiting concentration of people, strict use of PPE, and frequent sanitizing.

Existing approved outdoor seating areas, to include open air patio, balcony, rooftop, parking lots and sidewalks, must maintain operating features per approved Fire Marshal occupancy.

The following modifications are required:

- Space tables a minimum of 8 feet from each other (measured from all edges of the table);
- Limit table groups to 8 individuals; and
- Eliminate gatherings in the building when entering or exiting outdoor seating area; and
- Maintain strict social/physical distancing guidelines

Open Areas and temporary tents utilized by existing, permitted restaurants, must have all sides of the tent open. The following conditions are required:

- Space tables a minimum of 8 feet from each other (measured from all edges of the table);
- Limit table groups to 8 individuals;
- State approved fire extinguisher within 75 feet of tent area; and
- Minimum 7-foot 6-inch head room (ceiling height).

Tables, chairs, and seats should be cleaned/sanitized after every customer.
