

Plan of Correction

Regulation 61-84 Section 103.A

1. The Actions taken to correct each cited deficiency: All tenants were removed from the residence 243 Rome Alley Southwest and were taken to the hospital on the day of 2/15/24. After the hospital stay, the tenants were placed somewhere else and did not come back to the residence.

2. The action taken to prevent similar recurrences: The owner, Estelle Hutchinson, will conduct interviews with any new potential tenants before renting them a room at her boarding home. She will make sure they are ambulatory in walking, able to handle their own finances, does not need assistance with ADL's care and manage their own medications. If at any point the tenant becomes unable to function independently in any of these areas mentioned, the owner will notify the responsible parties immediately to ensure they are taken to the appropriate facility for their safety, health and well-being.

3. The actual or expected completion date: 2/15/24
