

R.61-23, Control of Anthrax - Proposed Repeal

State Register Document No. TBD

General Assembly review required

Summary |

Summary available in State Register publication

R.61-23 was promulgated July 1960 to prevent and/or control the ownership, possession, or transport of anthrax into or through the state. This regulation is no longer needed, as the federal government established Select Agent Regulations, at 7 C.F.R. Part 331 and 9 C.F.R. Part 121, setting forth requirements for possession, use, and transfer of select agents and toxins. The Federal Select Agent Program oversees and regulates the possession, use, and transfer of biological agents. The Federal Select Agent Program is jointly comprised of the Centers for Disease Control and Prevention/Division of Select Agents and Toxins and the Animal and Plant Health Inspection Service/Agriculture Select Agent Services.
