

This program will instruct students in backflow mechanics and how cross connections can be addressed and/or eliminated. State regulations will be presented and explained. DHEC will teach testing procedures for the PVB, DCVA, and RP devices. Students will test, troubleshoot, and repair these devices as part of the workshop.

15 hours of CEU credit will be awarded for this program.

Completion of this training is a prerequisite for certification as a Backflow Prevention Device Tester in South Carolina.

In order to receive certification, DHEC will require that students attend all three days of the workshop, pass a written exam, pass a hands-on exit exam, and **own or have clear access to the appropriate testing equipment.** You are not required to purchase testing equipment prior to the workshop.

Enrollment is limited to 20 students.

To register, complete, detach, and mail the registration form (along with your check or money order payable to SCDHEC) to the address shown below:

**SCDHEC—Bureau of Water
Backflow Prevention
2600 Bull Street
Columbia, SC 29201**

DHEC will not bill you or your company. Do not send a purchase order.

If training is cancelled, your registration fee will be refunded. If you are unable to attend, you may send a substitute to avoid losing your registration fee. Please note there are no refunds, and applying the fee to a future class is not possible.

About the Training

Location: Manchester Meadows,
337 E. Mount Gallant Road
Rock Hill, SC 29730

Attendees must be present and prepared to begin training promptly at 8:30 a.m. every morning of the workshop. This training will include several extended sessions where the students are testing, troubleshooting and doing minor repairs on PVB, DCVA, and RP devices.

Cost: \$375.00 per student for the three days. The cost will cover all necessary training materials. Please bring your own paper and pen. We will award fifteen hours of CEU credits for those who successfully complete this training. Coffee will be provided all three mornings. **Lunches are not included with this fee.**

For additional information contact,
Steve Fox at (803) 898-4426 or
