PREVENTING AND REPORTING FRAUD, WASTE AND ABUSE (DHEC MAR-2014)
DHEC has procedures and policies concerning the prevention and reporting of Fraud, Waste and Abuse (FWA) in agency-funded programs, including but not limited to those funded by federal grants such as Medicaid. No agency employee, agent, or contractor shall direct, participate in, approve, or tolerate any violation of Federal or State laws regarding FWA in government programs. Federal law prohibits any person or company from knowingly submitting false or fraudulent claims or statements to a federally funded program, including false claims for payment or conspiracy to get such a claim approved or paid. The False Claims Act, 31 U.S.C. §3729-3733, and other “whistleblower” statutes include remedies for employees who are retaliated against in their employment for reporting violations of the Act or for reporting fraud, waste, abuse, or violations of law in connection with federal contracts or grants, or danger to public health or safety. Under State law, persons may be criminally prosecuted for false claims made for health care benefits, for Medicaid fraud, for insurance fraud, or for using a computer in a fraud scheme or to obtain money or services by false representations. Additional information regarding the federal and State laws prohibiting false claims and DHEC’s policies and procedures regarding false claims may be obtained from the agency’s Contracts Manager or Bureau of Business Management.

Any employee, agent, or contractor of DHEC who submits a false claim in violation of Federal or State laws will be reported to appropriate authorities.

If Contractor, Contractor’s agents or employees have reason to suspect FWA in agency programs, this information should be reported in confidence to the agency. A report may be made by writing to the Office of Internal Audits, DHEC, 2600 Bull Street, Columbia, SC 29201; or by calling the Agency Fraud, Waste and Abuse Hotline at 803-896-0650 or toll-free at 1-866-206-5202. Contractor is required to inform Contractor’s employees of the existence of DHEC’s policy prohibiting FWA and the procedures for reporting FWA to the agency. Contractor must also inform Contractor’s employees, in writing, of their rights and remedies under 41 U.S.C. §4712 concerning reporting FWA or violations of law in connection with federal contracts or grants, or danger to public health or safety, in the predominant native language of the workforce.

This provision shall apply to PHI that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies, including backups, of the PHI. If the return or destruction of PHI held by the Business Associate is not permissible pursuant to
South Carolina law, the Business Associate will extend the protections of this Agreement to the PHI and limit further uses and disclosures to those purposes that make the return or destruction of the PHI infeasible.

2. In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make return or destruction infeasible. Upon mutual agreement of the parties that return or destruction of PHI is infeasible; Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI.

d. Continuing Privacy Obligation. Business Associate’s obligation to protect the privacy of PHI is continuous and survives any termination, cancellation, expiration, or other conclusion of this Agreement or any other agreement between Business Associate and Covered Entity.

VII. INDEMNIFICATION (the following does not apply to other government agencies or political subdivisions)

Business Associate agrees to indemnify and hold harmless Covered Entity from any claims, demand, suit, loss, liability, or administrative penalties that the Covered Entity may sustain as a result of the Business Associate’s breach of this Agreement, including any breach of confidentiality by a person to whom the Business Associate has disclosed information pursuant to this Agreement; provided, however, that the Business Associate shall not hold the Covered Entity harmless from any claims, demands or causes of action arising or resulting directly or indirectly from negligence of the Covered Entity, its officers, agents, representatives or employees, or any person or entity not subject to the Business Associate’s supervision or control. This indemnification shall include reasonable expenses including attorney’s fees incurred by defending such claims and damages incurred by reason of the Business Associate’s failure to comply with applicable laws and regulations or for damages caused by the Business Associate, its employees and/or agents, including subcontractors. As a condition precedent to asserting a right of indemnity, the Covered Entity shall provide timely written notice to the Business Associate of the assertion of the claim to which the right of indemnification is claimed to exist.

VIII. MISCELLANEOUS

The Parties agree to take such action as is necessary to amend this Agreement to comply with the requirements of the Privacy Rule, the Security Standards, HIPAA, HITECH, or any other state or federal law affecting this Agreement. If a Party believes in good faith that any provision of this Agreement fails to comply with the then-current requirements of HITECH or its regulations, such Party shall notify the other Party in writing. For a period of thirty days, the Parties shall address such concern in good faith and amend the terms of the Agreement if necessary to bring it into compliance. If, after such thirty day period, the Agreement fails to comply with HIPAA, the Privacy Rule, the Security Standards or HITECH, then either Party has the right to terminate upon written notice to the other Party.

c. Survival. The respective rights and obligations of Business Associate under Section VI.c and VI.d of this Agreement shall survive termination of this Agreement.

d. Interpretation. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with the Privacy Rule and the Security Standards.

e. All notices pursuant to this Agreement must be given in writing and shall be effective when received if hand-delivered or upon dispatch if sent by reputable overnight delivery service, facsimile, or U.S. Mail to the appropriate address or facsimile number. f. Business Associate and Covered Entity agree that Individuals who are the subject of PHI are not third-party beneficiaries of this Agreement.

g. The parties acknowledge that state and federal laws relating to electronic data security and privacy are evolving and that amendment of this Agreement may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA and HITECH and other applicable laws relating to the security or confidentiality of PHI. The parties understand and agree that Covered Entity must receive satisfactory written assurance from Business Associate that Business Associate will adequately safeguard all PHI that it receives or creates pursuant to this Agreement. Upon Covered Entity’s request,
Business Associate agrees to promptly enter into negotiations with Covered Entity concerning the terms of any amendment to the Agreement embodying written assurances consistent with the standards and requirements of HIPAA and HITECH or other applicable laws. Covered Entity may terminate this Agreement and Contract # ____________ upon thirty (30) days written notice if (i) Business Associate does not promptly enter into negotiations to amend this Agreement when requested by Covered Entity pursuant to this Section, or (ii) Business Associate does not enter into an amendment to this Agreement providing assurances regarding the safeguarding of PHI that Covered Entity, in its sole discretion, deems sufficient to satisfy the standards and requirements of HIPAA and HITECH.

h. If any provision of this Agreement violates any applicable statute, ordinance, or rule of law in any jurisdiction that governs this Agreement, such provision shall be ineffective to the extent of such violation without invalidating any other provision of this Agreement.

i. This Agreement may not be amended, altered, or modified except by written agreement signed by Business Associate and Covered Entity.

j. No provision of this Agreement may be waived except by an agreement in writing signed by the waiving party. A waiver of any term or provision shall not be construed as a waiver of any other term or provision.

k. The persons signing below have the right and authority to execute this Agreement for their respective entities and no further approvals are necessary to create a binding Agreement.

l. Neither Covered Entity nor Business Associate shall use the names or trademarks of the other party or of any of the respective party’s affiliated entities in any advertising, publicity, endorsement, or promotion unless prior written consent has been obtained for the particular use contemplated.

m. All references to specific statues, codes, or regulations shall be deemed to be references to those statues, codes or regulations as they may be amended from time to time.

n. Neither party is an employee, agent, partner, or joint venturer of the other. Neither party has the right or authority to control or direct the activities of the other or the right or authority to bind the other to any agreement with a third party or to incur any obligation or liability on behalf of the other party, unless expressly authorized in this or another agreement between the parties.
